**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FFC,

Your organisation has been characterized recently as being blatantly dishonest, and acting as the tool of a few major internet service provider companies. Your behavior and dereliction of duty has been disgraceful.

The United States is descending towards a third-world, monopolistic internet service for the public. And the FCC is not only enabling this malfeasance but accelerating it.

You are becoming the poster child of shameful abuse of power.
